

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

YAUSMENDA FREEMAN,
Plaintiff(s),
v.
EQUIFAX, INC.,
Defendant(s).

Case No. 2:21-cv-01137-APG-NJK

ORDER

12 On June 22, 2021, the Court ordered Plaintiff to clarify the relief she is seeking for purposes
13 of determining the proper filing fee. Docket No. 6. On June 30, 2021, Plaintiff clarified that she
14 limits the relief requested in this action to perpetuating testimony under Rule 27. Docket No. 7.¹
15 Given the clarifying limitation provided, the Court will not require Plaintiff to pay the full filing
16 fee for civil cases.

IT IS SO ORDERED.

Dated: August 6, 2021

Nancy J. Koppe
United States Magistrate Judge

27 Plaintiff also stated that she reserves the right to seek other relief, which the Court
28 interprets to mean that she reserves the right to seek such relief in a different action since this case
is limited as stated above.
